Rakib Khan

Front-End Developer || React.JS Developer || MERN Stack Developer

Bogra, Rajshahi, Bangladesh

Summary

My name is Rakib Khan, and I work as a Front-End Developer. I have finished a number of projects with my newfound talents while also continuing to learn new things to advance my career in this field. I'm eager to grow as a person via hard effort, and I'm eager to use my abilities in a motivating company where I can make a difference.

Education

Pabna Polytechnic Institute

Diploma in Civil Engineer , Civil Engineering · (August 2017 - September 2021)
